## Waste Free Wednesday

🌍 Thank you to all the children and staff on packed lunches who tried really hard to bring a lunch with as little throwaway plastic and waste as possible on Wednesday! There are some pictures of great examples of waste free lunches on our Facebook page. The lunch staff said there was a lot less rubbish in the bins and therefore less ending up in landfills and adding to plastic pollution! It would be great to see these little changes become the new norm. If we all continue to make a few small changes we can make a big difference to looking after our precious planet. Thank you to our Year 4 pupils for raising awareness of this important issue with their computing work 🌍

# Help Your Child Love Maths!

**Want to know more about how to  
support your children to develop  
positive attitudes towards maths?**

**Join us at the school on**

**Date: 09/05/2025**

**Time: 2:00pm**

This is not a maths lesson, and we won't be doing any actual maths! We'll be talking about the importance of maths in the real world, being positive about maths, and boosting our number confidence.
