Class Winners

Termly Attendance winner: 3M/3R/6M 4 stars

Termly Punctuality winner: 4R 6 stars

Overall Attendance and Punctuality winners: 6M 95.4% & 4R 36 lates

Last half term Year 4 were learning about plastic pollution in the oceans. As a result they have asked that we try to reduce our plastic waste in school. They have created videos and posters to raise awareness of this issue and would like to reduce our plastic waste in school. As such we are asking children who have packed lunches to try and pack a packed lunch with as little throw away waste as possible on Wednesday 30th April. The children have created a video with ideas and swaps you can make, to help make your child's packed lunch 'waste' free. You can watch some here <https://ribbleton-avenue-methodist-junior-school.primarysite.media/playlist/waste-free-wednesday-2025> We hope you can help them support this important issue with their Waste Free Wednesday initiative.

<h1>WASTE FREE WEDNESDAY</h1>	
 PACK 	 AVOID 
<p>Snacks in reusable containers</p> <p>Drinks in reusable bottles</p> <p>Reusable utensils if needed</p> <p>Reusable packed lunch box</p> <p>Buy share bags of crisps/ biscuits and add to reusable containers each day</p> <p>Fruit in reusable container</p>	<p>Wrapping in cling film, plastic bags or foil</p> <p>Disposable drink bottles</p> <p>Single use packaging on single packets of crisps</p> <p>Fruit ready cut in single use plastic</p>

WASTE FREE WEDNESDAY

- * Put sandwiches in a reusable container or wrap, instead of wrapping in clingfilm or plastic bags.
- * Use a re-fillable drinks bottle or flask instead of single-use cartons, cans or pouches.
- * Buy family size packs of crisps, biscuits or yoghurt and transfer small amounts into reusable containers for the day, instead of buying multipacks of individually wrapped items.
- * Look for recyclable packaging such as paper, card or foil, rather than plastic.
- * Have fun baking treats with your children.
- * An extra piece of fruit is a healthy alternative to packaged snacks such as crisps or biscuits. If your child finds it a challenge to eat a whole piece of fruit, cut it into smaller pieces and pack them in a reusable container
