21.03.2025

Well done, 3M!

A huge well done to 3M, who had a fantastic visit to Martin Mere. The children demonstrated excellent behaviour throughout the trip and thoroughly enjoyed exploring the wildlife. They were thrilled to see the otters, observe a variety of birds using binoculars and take part in some exciting woodland activities.

Show Racism the Red Card

This week, we welcomed visitors from *Show Racism the Red Card*, who worked with our children to explore the impact of racism and share firsthand experiences of the damage it causes. As a multi-cultural school, this was an important learning opportunity to help our children understand the importance of respect, inclusion and standing up against discrimination. The children engaged really well and showed great respect throughout the sessions.

Fantastic News for Our Girls' Football Team!

A massive congratulations to our girls' football team, who played brilliantly on Tuesday and are now through to the semi-finals after an impressive 4-2 win against St. Andrew's. Well done girls!

Easter Events Reminder

We have some exciting Easter events coming up, including the Easter Egg Raffle, Decorate the Egg Competition and Easter Family Bingo. We encourage all children to take part and make the most of these fun activities!

Parking Reminder

Please do not park on the yellow lines outside school. The safety of our children is our priority, and we kindly ask all parents and carers to be mindful of this. Remember, you can park for free at Tesco which is less than a minute's walk from school.

Parents' Evening

Just a reminder that Parents' Evening will be taking place next Wednesday and Thursday. If you haven't already, please make sure to choose a slot to meet with your child's teacher and discuss their progress. We look forward to seeing you there.

Lockdown Procedures

Over the next couple of weeks, we will be talking about and then practising our school lockdown procedures. We have sent a more detailed message about this via email. We approach this with the children in a very child-friendly, age-appropriate way. We will be explaining what the different alarm sound means and what to do when they hear it. This is much the same as doing a fire-drill in schools and ensuring these routines are practised is part of our health and safety commitment.

Thank you for your support.

Attendance since Sept 2024 – 94.9%

For any attendance queries please follow this link: <https://www.ramjs.lancs.sch.uk/attendancepunctuality-procedures/>

Our “Masked Artist” event is now live in school. Children and staff are invited to enter the competition to identify the real artists behind the masks. Arty prizes to be won for those with the highest number of correct guesses!

We have been blown away with the number of talented artists that we have on our staff team. The range of entries has been incredible and the children are extremely excited to get guessing! There will be a big reveal at the end of this term.

Well done Elisabeth in year 5 who was captain of her football team last weekend, and got player of the match too!

This week's U11 girls Player Of The Match sponsored by Compound Paraplanning is Elisabeth.

She played midfield in the first half breaking up play and making passes and dropped in to left back in the second half.

Her progression since the beginning of the season in both confidence and match play is an absolute credit to her.

She is a well deserved player of the match this week.

Keep up the good work and well done Elisabeth

Easter
