Message from Mrs Bleasdale

As we move through the term, I want to take a moment to celebrate the enthusiasm and hard work of our wonderful children. It has been fantastic to see their curiosity and confidence grow in the classroom and in all their creative and sporting activities.

This week, Mrs Nickson and I have had the pleasure of visiting English lessons across the school and we have been absolutely amazed by the content, vocabulary and overall quality of work in children's books. The level of engagement from every child has been outstanding, with so many demonstrating enthusiasm, creativity and a real love for learning. It has been wonderful to see their confidence in expressing ideas and challenging themselves and we are so proud of the progress they are making.

A special well done to 3R, who visited Martin Mere and had a fantastic time! The children demonstrated excellent behaviour throughout the trip and thoroughly enjoyed exploring the wildlife. They were thrilled to see the otters, observe a variety of birds using binoculars and take part in some fantastic woodland activities. It was a wonderful opportunity for hands-on learning and we are so proud of how engaged and respectful they were during the visit.

Next week, we are delighted to welcome visitors from 'Show Racism the Red Card', who will be working with our children to explore the impact of racism and share firsthand experiences of the damage it causes. As a multi-cultural school, this is an important learning opportunity to help our children understand the importance of respect, inclusion and standing up against discrimination. We are looking forward to insightful discussions that will help shape our children into thoughtful and compassionate individuals.

Looking ahead, we have some exciting events coming up, including the Easter Egg Raffle, Decorate the Egg competition and Easter Family Bingo and we encourage all children to take part and make the most of these events.

As always, thank you for your continued support and helping the children to learn and grow. If you have any questions or need any support, please don't hesitate to get in touch.

All children must be accompanied by an adult

The tickets for the raffle and refreshments will be cash only on the night

Over the next few weeks we hope you will notice an improvement in our local environment as the Year 4 pupils learn more about plastic pollution.

On Tuesday, several volunteers helped litter pick around the school yard as rubbish blows around and gets stuck between our school fences. We have lots more eager volunteers so we are making it a regular thing every week! Well done Year 4 🌟
