Message from Mrs Bleasdale

What a fantastic term it has been so far! I'd like to take a moment to celebrate some of the wonderful things happening across our school.

The Year 3 and Year 4 children have shown incredible determination and progress as they've been learning to ride bikes with the Bikeability team. From a wobbly start at the beginning for some, we are so proud of what they've achieved!

Year 5 have done extremely well in their swimming lessons this term. It's wonderful to see their confidence growing in the pool and we know these are skills they'll carry with them for life.

The festive spirit is also in full swing here at school! All of our children are hard at work preparing for the Christmas Carol Concert, which we are thrilled to share with you during the final week of term. We can't wait to see you there- it will be a magical way to celebrate the season together.

Lastly, a quick reminder that Christmas Jumper Day will take place on **Wednesday 11th December**. Children should wear their normal school uniform with the addition of a festive Christmas jumper to brighten the day.

Thank you for your continued support and we look forward to finishing the term with lots of Christmas celebrations.

Well done to our Stars of the Week!

Magistrates in the Community

Year 6 took part in a mock trial supervised by Magistrates in the Community. This was to make pupils aware of justice and where that occurs in the local community and how the justice system works. It informed our Year 6 pupils of the role of the Magistrates Court and encouraged discussion/debate "right and wrong" identifying actions that break rules.

The mock trial allowed them to take part in decision-making and to consider both sides of a dispute before making a decision. The pupils were very engaged in this lesson and we would like to thank the Magistrates for coming into school.
