### Message from Mrs Bleasdale

This week, we would like to celebrate the achievements and opportunities across the school.

Firstly, well done to 5M, who have completed their two weeks of swimming sessions. It has been fantastic to see their progress, with so many pupils growing in confidence and ability in the water. Next week, 5R will begin their swimming lessons and we are confident they will display the same excellent behaviour and enthusiasm.

On Wednesday, Year 5 and 6 participated in a powerful and thought-provoking session with Tim from 'Every Action Has Consequences'. He explored the dangers of physical aggression and emphasised the devastating impact that a single moment of anger, such as one punch, can have on the lives of everyone involved. The pupils engaged with great respect and showed a deep understanding of the critical message that our actions, even in heated moments, carry consequences. The work of 'Every Action Has Consequences' reminds us of the importance of managing our emotions, considering the outcomes of our choices and striving to prevent harm to ourselves and others. The organisation, established in memory of Adam Rogers, offers support to schools designed to help children navigate their frustrations and develop strategies for managing anger. For more information about 'Every Action Has Consequences', please visit their website to explore and see how you can contribute to this vital cause.

Looking ahead to next week, Year 3 and 4 will be taking part in 'Bikeability'. This is a wonderful opportunity for children to develop their cycling skills, learn road safety and build confidence on a bike.

Thank you, as always, for your support in helping our children thrive in these diverse and enriching activities.
